COMPANY POLICY

AL AMARA
INTERNATIONAL

شركة العمارة العالمية
للتجارة والتجارة الخارجية

AL AMARA INTERNATIONAL
Trading & Contracting Company Ltd.

Health, Safety and environment Policy

It is the Health, Safety and Environment (HSE) policy of the Al Amara Company to perform work in a manner that protects the health and safety of its employees, sub-contractors and the general public; preserves the quality of the environment and prevents damage to property. It is also the policy of company to comply with the applicable laws, regulations, industry codes and practices of the country we are working

Al Amara Company has established the following criteria in achieving the policy objectives:

- HSE is prioritized in all of the company's business operations
- The health and safety of Al Amara Company's employees, its customers, the public, including the environment, are critical factors that are taken into consideration in the planning and execution of all work activities undertaken by the company.
- Proactive implementation in identifying, eliminating or minimizing incident and environmental exposures, taking into account technical and practical considerations
- Accomplishing efficient work practices by ensuring employees are medically-fit and competent through health and medical screening programs; training and skill development programs; and ensuring adequate supervision and awareness.
- On every job, no matter how small, we will take the time to perform our work safely and with proper regard for the environment.
- HSE is a line management responsibility where all levels of management are accountable for implementing, maintaining, measuring and improving company HSE programs.
- Conduct independent audits and management review for verification of HSE status and the level of compliance.
- Provide encouragement for proactive involvement of employees in all HSE activities and to recognize their HSE achievements.

Overall, we are committed to continually improving our Safety, Health and Environmental standards and performance, and will continue to maintain appropriate controls to ensure that this policy is being followed.
